

# Glacier Trek

**Provider:** Alaska Mountaineering School

**Length:** 2 Days

**Website**

<http://www.climbalaska.org>

**Places:** Talkeetna

Glacier treks fly to pre-determined areas in Denali National Park & Preserve, home to North America's largest and most spectacular mountains. In order to understand travel and safety protocol, your guides will teach you basic mountaineering skills. Wearing climbing harnesses and being roped to your guides and other trekkers, you will go on short snowshoe forays from base camp to scenic vistas.
